Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

2010. Paper Back. Condition: New. 344 This book can be best described as a very good introduction for someone who has no prior knowledge of Hinduism. It covers every aspect of Hindu history, beliefs, and practices. It gives a comprehensive chronological development of Hinduism, tracing its development from the ancient origin to its modern form. It covers all rituals and ceremonies. This volume on Hinduism satisfies the need for a vast introductory and a truly international work of reference. The wide range of matter dealt with in this volume present the panoramic view of the Hinduism in its different facets and in different periods of history. In sum, of all the basic books on Hinduism, this book is perhaps the most balanced introduction to the religion. About The Author:- Dr. Rajeev Verma is an eminent personality in the field of Indology and Vedic Studies. His contribution in these fields is worth mentioning.
